

ELCAN

East Lothian Climate Hub

Impacts and achievements

Q1 • MAY–JULY 2026

What has your local climate action network done to build community, climate and nature action?

100+

Organisations

Supporting ELCAN members, financially and practically.

22

Hub-organised events

400 participants across biodiversity, food growing, regenerative farming and community-owned energy + heat.

12

East Lothian Visions

Displayed on posters at bus stops across the county, in partnership with East Lothian Council.

7

Holyrood candidates

Quizzed on climate and poverty as part of a hustings and Party Manifesto Comparison ahead of the 2026 Scottish Election.

Growth of East Lothian Rivers Connections.

Championing practical subgroups as part of the East Lothian Biodiversity Action Plan.

Discussions with East Lothian Council on glyphosate weed-killer reduction.

Grassroots East Lothian

New Grassroots column in East Lothian Courier - sharing stories from the network.

Join ELCAN

Alongside our growing network of 100+ associate climate organisations, ELCAN is now open to ordinary membership for individuals.

Join ELCAN and shape our work helping communities address the Climate and Nature crises.

elcan.scot/join

East Lothian Climate Action Network is a registered Scottish Charity #SC055099
